**8817-J: Resident's Records**

**Not Met**

**Findings/Corrections**

8817 J. 2. (a.-o.)8817 J. 2. (a.-o.) The continuing record of any illness, injury, or medical or dental care in the resident records failed to be complete in 4 of 6 records reviewed. There is a lack of continuity in that notes that resident was taken to hospital are not always followed with notes on outcome or notes that resident returned from the hospital are not always preceded with information about resident going to the hospital.
